Elementary School Counselor

2008 FALL ISSUE #1  
SEPTEMBER / OCTOBER

## Greetings from Mrs. Suzanne M. Landis

Welcome Aboard to the 2008-2009 school year. This is my 30<sup>th</sup> year in education and I am eager to renew the challenge of assisting Canadochly students to Believe, Achieve and Succeed! Each child is a shining star and as part of the Canadochly staff, I will work closely with your child as they soar to success. "We Can At Canadochly" can be heard echoing throughout the hallways.

Parents, school staff and the community must work together to create a positive learning community for the students entrusted to our care. Please feel free to contact me to share concerns or discuss a plan of success for your

child(ren). [slandis@eyork.k12.pa.us](mailto:slandis@eyork.k12.pa.us)

## Elementary Guidance Lessons

**Classroom Guidance Lessons are underway for the new year.** Each class will have the opportunity to meet for a class guidance lesson every other cycle for a total of 15 lessons scheduled throughout the 2008-09

Welcome Back lessons have been exciting! K, 1 and 2 got to help "Build A Counselor". 3<sup>rd</sup> filled out a survey to pick small group topics, heard a story Andy and His Yellow Frisbee, all about Autism. 4<sup>th</sup> and 5<sup>th</sup> used their teambuilding skills to play, Keys to Success". (ask 5<sup>th</sup> graders about the Toilet Paper Race activity)

Take time to talk to your child about good choices with their words and actions. Check that they have at least one good friend. If you suspect your child is being bullied, call the school counselor to share your concerns.
