HOW TO BRING ITEMS OF CONCERN TO THE BOARD: HEARING OF PATRONS

There are two opportunities for the public to provide comments to the Board. The first opportunity will be on agenda items only, while the second will be for other topics. The Board requests that no complaints of a personal nature be initiated at a public meeting. Please note that the Board will be listening and taking notes, but please do not expect a response. If further action is needed from the Administration, direction will be given to follow up with the community member. Should a Board Member offer a response, that individual is speaking only for him or herself and the response should not be considered to be that of the Board.
