By signing this form, I/We understand the following information:

It is a requirement for all students graduating from Eastern York High School to earn 1.0 full credit in the area of physical education. As directed by the EYSD school board, Eastern York High School students who participate in co-curricular activities including interscholastic athletics, marching band, or cheerleading, beginning in the 20 / 20 school year, may be excused from 0.5 credit of required physical education per co-curricular activity.

In order to be awarded .5 PE credits, a student must complete one full season, as attested to by the coach/advisor, athletic director, and/or high school principal. If for any reason a student does not complete the season, this exemption will be voided for that co-curricular activity or season. This exemption may be used two times during a student's high school career in order to receive the 1.0 credit Physical Education requirement for graduation. This application must be signed and submitted prior to the beginning of the school year in which the exemption is to be applied. Completed applications should be submitted to the Eastern York High School Counseling Office.
