"STRIVING FOR EXCELLENCE"

February 6, 2019

Dear Parents/Guardians:

Greetings from Eastern York High School! The second semester is going by very quickly, and it is time to focus on parent conferences. Conferences for second semester will be scheduled Wednesday, February 20th, 2019 from 4:30 p.m. to 7:30 p.m. with a 15 minute open house available from 6:00 p.m. until 6:15 p.m. All teachers will be preparing and providing an overview of their classes from 6:00-6:15, or you may also attend a brief overview of Eastern York High School in the PAC.

Parent/Teacher conferences offer an opportunity to discuss an individual student's progress. As student success is directly related to parental involvement, EYHS strongly encourages you to attend these conferences.

In order to accommodate all parents wishing to speak with teachers, conferences will be scheduled and limited to 15 minutes.

To schedule an appointment, you may utilize one of two options:

Parents may schedule online through Skyward by clicking on the **Teacher Conferences** link in **Family Access**, and then clicking on **Select a Time** for each teacher with which you would like to conference. The on-line scheduling window will be open from February 13th to February 17th.

Parents may call the High School Office at 717-252-1551 X60500 from 10 a.m. to 2 p.m. on February 19th. Any requests after 2:00 p.m. on February 19th will require direct contact with the teacher.

Guidance counselors and Administrators will also be available during conferences to answer any questions.

Sincerely,

Dr. Timothy W. Mitzel, Principal
Eastern York High School
