To access your child's bus stop information:

Traversa Ride 360 Parent Portal

How to Create a Username/Login and Connect to a Student

Mobile Version

1. Open up the App Store or Google Play from your smartphone
2. Search for Traversa Ride 360
3. Download the App
4. Upon opening the App, you will be prompted by a message to find your district
5. Type your district's name in the box. You must be precise. (Eastern York School District)
6. After finding your district, you will be brought to a login page
7. Under the log-in bar, click Register and a new page will open where you can create a new account. Fill out each field to create your account
8. When you log back into the app, you will see a button for "My Students". Click this and put in the necessary info to link correctly to your child.
   a. You will need the child's student ID number, last name, and school attending.

Website

1. Go to your district's Ride 360 page. Your district will be able to provide the URL to the site
2. Click Register on the login page (https://paeasternyorksd.traversaride360.com/)
3. Create a username/password and fill out the necessary details on the page. These are the rules for creating a password:

   Must be a minimum length of 3.
   Must not exceed a maximum length of 15.
   Must contain a minimum of 1 uppercase letter(s).
   Must contain a minimum of 1 numeric digit(s).
   Password must not match any of the last 1 password(s).
   User Name and Password must be different.

4. After creating your credentials, you'll be sent back to the login page
5. From there, login and click my students
6. Enter the necessary info to link to your student
   a. You will need the child's student ID number, last name, and school attending.
