Future Leaders of York program if they are selected. Mr. Seely introduced Demonte Martin, Eastern York High School Senior to share the impact attending this program has had on him. Demonte provided the Board with an overview of the program, the skills he learned, and how he used what he learned to benefit others. Specifically, he shared that it taught him to be organized and prepared. He developed his own mission, which was to ensure that all students on the football team were not academically ineligible during the season. Dr. Becker also introduced Ms. Caruso, former Eastern York School District teacher, who assists with running the program. She shared some of the other opportunities that are offered by Leadership York. The Board thanked Demonte Martin for sharing his experiences and for his behavior as a leader among the Eastern York community.

2. 2018 School Performance Profile Scores

Dr. Becker shared the 2018 School Performance Profile Scores for Eastern York High School compared to other high schools in York, Lancaster, Dauphin, and Adams counties. Eastern York High School had the highest score in York County. Dr. Becker shared that the teachers and students work hard and continue to be very successful. Board members stated that they are very pleased with the results and would like some form of banner so that everyone is aware of the achievement.

3. Escape, Enhance, Engage Protocol

Dr. Becker shared that staff training has been completed on the Escape, Enhance, Engage protocol which provides options when responding to a critical incident. Students will be trained beginning in February. Dr. Mancuso shared a brief overview of the Safe2Say Hotline provided by the state, which went into effect January 14, 2019.

4. PA SMART Grant: Awarded $35,000 to Expand Computer Science Program

Dr. Becker shared that, currently, students who graduate elementary school have extensive experience in block-based coding. When they transfer to middle school, students have no opportunity to build on their knowledge of basic programming concepts. With this award, we plan to provide students with the opportunity to gain technical knowledge using text-based languages at the middle school level.
